FUTURE POWER CAPITAL

Alexandre Bennett — Biography

Chief Technology Officer

BIOGRAPHY

Alexandre Bennett

Alexandre Bennett serves as Chief Technology Officer at Future Power Capital, where he oversees the firm's technology strategy, digital infrastructure, and technology-driven initiatives.

EMAIL alexandre@futurepower-capital.com

Background

With extensive experience in technology, digital transformation, and business systems, Alexandre is responsible for ensuring that Future Power Capital maintains a robust and efficient technological infrastructure capable of supporting its investment activities and long-term growth.

Responsibilities

His role includes overseeing technology operations, evaluating new technological solutions, improving internal systems, and working closely with the executive and investment teams to identify opportunities where technology can enhance efficiency, decision-making, and operational performance.

Approach

Alexandre takes a practical and forward-looking approach to technology, with a strong focus on security, scalability, reliability, and innovation. He works to ensure that the firm remains adaptable as technology and investment markets continue to evolve.

Contribution

At Future Power Capital, Alexandre plays an important role in developing the technological framework that supports the firm's operations, investment processes, and relationships with investors and strategic partners.
