FUTURE POWER CAPITAL

Daniel Serror — Biography

Chief Operating Officer

BIOGRAPHY

Daniel Serror

Daniel Serror serves as Chief Operating Officer at Future Power Capital, where he is responsible for overseeing the firm's day-to-day operations and supporting the implementation of its strategic objectives.

EMAIL daniel@futurepower-capital.com

Background

With a strong background in business operations, corporate management, and investment activities, Daniel works closely with the executive and investment teams to ensure that the company's operations remain efficient, well structured, and aligned with its long-term vision.

Responsibilities

His responsibilities include coordinating internal operations, supporting strategic partnerships, overseeing key business processes, and assisting with the execution of new investment opportunities.

Approach

Daniel places particular importance on operational discipline, strong business relationships, and effective execution. His practical approach and attention to detail help support Future Power Capital's continued development and its relationships with investors, entrepreneurs, and strategic partners.

Contribution

At Future Power Capital, Daniel plays a key role in ensuring that the firm's investment activities are supported by a professional, efficient, and well-organized operational structure.
