Venture Capital

### The relationship

Future Power Capital maintains a strategic relationship with Andreessen Horowitz (a16z), combining our access to emerging companies, private investment opportunities, scientific ventures and entrepreneurial networks with a16z's expertise in venture capital, technology and company building.

Through this relationship, Future Power Capital provides access to selected investment opportunities, founders and emerging technologies across Europe and international markets, while a16z contributes its venture capital expertise, technology ecosystem, global network and operational resources.

## The relationship, continued

The relationship is designed to support the identification, evaluation and development of high-potential technology and innovation-driven companies, while creating opportunities for collaboration across venture capital, private markets, science and emerging industries.

## Areas of collaboration

- Founder and technology sourcing across Europe
- Venture-stage evaluation and company building expertise
- Cross-border innovation collaboration

This document describes the strategic complementarity and intentions of the relationship between Future Power Capital and Andreessen Horowitz (a16z). It does not disclose or refer to any specific transaction, agreement date, financial commitment, or performance outcome.
