The relationship

Future Power Capital maintains a strategic relationship with DAMAC Properties, combining our access to private capital, investors and investment opportunities with DAMAC's expertise in luxury real estate development and international property markets.

Through this relationship, Future Power Capital provides access to selected investors, private capital networks and potential co-investment opportunities, while DAMAC contributes its extensive real estate expertise, development capabilities, international portfolio and access to high-value property opportunities.

The relationship, continued

The relationship is designed to create opportunities for co-investment, capital partnerships and strategic collaboration across luxury real estate, property development and international investment markets.

Areas of collaboration

- Private capital and investor access
- Luxury real estate development expertise
- International property co-investment

This document describes the strategic complementarity and intentions of the relationship between Future Power Capital and DAMAC Properties. It does not disclose or refer to any specific transaction, agreement date, financial commitment, or performance outcome.
